About our presenter:

Good Day!

My name is Jennifer (Jenny) Flesher. I am the Community Health Worker at Marietta/Belpre Health Department.

Through life experiences, education, and employment that I have received here in the Mid-Ohio Valley I feel that I have a good data base of what the community has to offer. I am also still learning as new programs are developed, enhanced, and started every day. Our Community is full of useful resources and information if you are able to find them! My goal is to help individuals and family do just that!!
