

Washington County No Wrong Door Initiative
Invites you to join our virtual

LUNCH & LEARN Workshop Series
First Thursday of each month
12:00 - 12:45 pm

March 6th, 2025 Topic: *Hopewell's Reach Program*

Click [here](#) to register or visit www.wcfcfc.org

HHC's REACH program provides day-long treatment (Monday - Friday) for children experiencing severe emotional problems and having difficulty functioning successfully in their schools, families and communities. Programming involves educational, individual and group counseling, individual and group CPST, behavior management and skills building.

- **How can I refer?**

Teresa Isner

Teresa Isner is a Licensed Social Worker at REACH's Washington County branch, a division of Hopewell Health Centers. She brings her vast knowledge and experience from the mental health field into her work to lead group, individual, and family therapy daily at REACH. Teresa has experience in local children's services agencies as well as being trauma informed, devoting holistic attention to each case and responding to crisis through a person-centered approach. Teresa has an act for connecting with youth and serving those who have faced challenges to help them develop the skills and connect with services to help them thrive. Teresa has been with REACH for 4 years and has sought through its rebuilding phase, serving as a pillar to the branch's success in treating youth and their families in Washington County. Teresa also serves as a peer mentor through BB2C to spread her knowledge and skills throughout the community.
