**About our Presenter:**

Alice Stewart has been employed by Children Services/DJFS for 23 years. After graduating with her MSW from Arizona State University, Alice relocated to Marietta to become a caseworker. She supervised the intake/assessment unit for several years then became the Assistant Director and is now the DJFS Social Services Administrator. She has written and managed several grants to support a variety of programs geared to assist children who have been abused or neglected, kinship families and prevention services.

*Every child has the right to be protected*
