Booster Seat Education

A 20-30 minute Booster Seat Education presentation perfect for children ages 3 – 8. Booster Seat Education has been done in pre-school's and annually at the Samuel R. Cook Safetytown. The I'M SAFE! IN THE CAR video (10 mins.) is a great way to help young children and their parents learn why safety belts need to cross strong bones; where kids can safely sit; and how children can help the driver and have fun!

**THIS VIDEO COVERS
4 KEYS TO BEING A
SAFE PASSENGER**

- Correct safety belt placement
- How to find the safest seat
- Why kids need to ride in back
- How to help the driver

**Perfect for
children ages 3-8**
